a. Why does the defendant owe the plaintiff money?

Damage to automobile caused by an errant golf ball hit by golfer using San Diego City municipal golf course.
I was driving southbound on 28 St. when I heard a loud noise on the roof of my car and then I saw a golf ball
rolling down the street. I pulled over and saw a large dent just over the driver-side door.
I looked in the municipal code and saw that the Golf Course is responsible for damage
caused by its paid customers and that the City self-insures the Golf Course.

DECLARATION

(This form must be attached to another form or court paper before it can be filed in court.)

Upon discovering the damage to my car, I took it to a reputable auto body shop. I got an estimate of \$1830 to repair the car. I was told that I would need to leave the car with the shop for no less than 1 week. They recommended that I rent the car for 12 days, just to be sure, because of potential delays. (sometimes parts they order don't fit and have to be re-ordered. I went to Hertz Car Rental website and got an estimate for a 12-day rental. I've attached copies of both the repair estimate and the car rental quote.

On August 22, 2023, the City denied the claim I filed. (City letter is attached) I am filing this court action within six months of the claim denial.

I declare under penalty of perjury under the laws of the State of California that the foregoing is true and correct.

DECLARATION

(This form must be attached to another form or court paper before it can be filed in court.)

I am a resident of San Diego. My home is located at 2805 Maple St. On or about June 6, 2023, Michael Shames visited us at our Maple St. house. While driving down 28th St. (which turns into Maple St), Michael reported that his car was hit by a golf ball.

I am familiar with this kind of damage, as it happens with some frequency. The City of San Diego runs the Balboa Park golf course, but did not put a fence along much of 28th St. because the local residents objected to the esthetics of a high mesh fence. So, parked cars and cars in transit are frequently hit by golf balls hit by people using the course.

I declare under penalty of perjury under the laws of the State of California that the foregoing is true and correct.

Dear Shames:

Claims against the City of San Diego are referred to this office for investigation and a determination of the City's legal liability.

The liability of a municipality to any person who makes a claim against the municipality for damages is strictly limited by the laws of the State of California. Based on a review of the facts giving rise to your claim, the City is denying that claim.

Subject to certain exceptions, you have only 6 months from the date that this notice was personally delivered to you or deposited in the mail to file a court action on this claim. See Government Code section 945.6.

You may seek the advice of an attorney of your choice, and at your own expense, in connection with this matter. If you desire to consult an attorney, you should do so immediately.

Sincerely,

Marta Terrell
Claims Representative I
